FIGHT AGAINST HUMAN TRAFFICKING

# Pledge

## Partnership Against Trafficking

**YES!** I join Crittenton Services for Children and Families in pledging that I will work to end the sexual exploitation of children. As a community member, I acknowledge that human trafficking exists and must be stopped. Therefore, I commit myself to protecting the innocent and the vulnerable from being trafficked and will lend my voice to speak on behalf of the victims and survivors.

*Today and every day after, I will fight to end the trafficking of children.*

- Dedicate time to learning about the issue and staying informed
- Engage in prevention programs for at-risk children in my community
- Work to empower youth in my community to engage in healthy, appropriate relationships
- Join a Crittenton Advisory Council as a community advocate
- Advocate for effective, smart legislation to serve victims
