Our Mission is Simple

To heal the wounds of abuse and neglect; to strengthen families whether birth foster or adoptive; and to insure that troubled adolescents reach their full potential.

As a golfer, a dinner guest, or a donor you help make recovery possible for the more than 1000 children and families enrolled in our programs at any given time.

Your support helps continue a more than forty five year history of successful treatment and recovery for those in crisis.

All of this because you chose to join us for a day of golf and a great dinner.
