The Crime.

Threats, lies, and thefts. Heartbreak, betrayal, and jealousies. Blackmail, creative bookkeeping, and back taxes. Whether they are or are not a part of the case is for you to find out.

The Case.

The case is yours. It is a brand new Mystery Night! Every year's case is totally new, totally perplexing, and totally fun. Invite your friends, family, and co-workers to join you for an exciting evening of phonies, fun, and fabrications.

The Clues.

They players will all be right there with you. You should know up front, they are prone to lying, exaggerating, and airing their problems in public. So, relax, listen, and enjoy the pre-dinner cocktail hour. This will be your first chance to question them directly, and the answers you get may well consist of a splash of confrontation, a dash of contempt, and a full measure of confusion.

The Confusion.

You can never know who has been lied to and who is lying. But, you can start to pull all the pieces together by listening to the chatter, conversations, and confrontations that will be happening right there before you. And question, question, question!

The Conclusion.

During dinner, you will have a chance to work with the detectives to ask more direct and case specific questions of the suspects. And, for dessert, everyone gets a chance to solve the crime and receive a promotion to Chief Inspector!
